

“Now, for only pennies a day, you can protect your home from costly and annoying plumbing problems!”

The Diamond Club™ is a private membership service club that's limited to 22% of our clients. It isn't available to everyone because we couldn't possibly keep up with the workload. We're offering it only to people like you who really love your home and want to protect it from unexpected plumbing breakdowns or worse... water damage! The Diamond Club is plumbing security for your home! *Take a look at the following member benefits you get starting at \$9.95 a month...*

1 \$200 in complimentary service!

Once each year, a member of my expert plumbing team (a Certified Service Technician) will give your home a thorough inspection, scheduled service and complimentary plumbing system adjustments including all connected equipment. The complete list includes up to 100 different items... a \$200 value alone! Here's a peek at just a few...

- All of your toilets are checked and tested for leaks and smooth operation. Any needed adjustments are at no charge!
- All of your faucets are tested and must pass a rigid "Performance Test". If they don't, they'll be adjusted at no charge!
- All of your exposed water lines are checked for any damage.
- All of the piping under your bathroom and kitchen sinks are checked for any sign of potential water damage.
- All of your drains are checked above and below sinks for leaks and clogs.
- Your washing machine hoses and valves are thoroughly checked and tested.
- Your water heater is checked for safety, leaks and signs of corrosion. Water heaters are often a major cause of water damage. Keeping this piece of equipment in top shape guarantees Peace Of Mind!
- Any concerns or questions you have about your home's plumbing will be gladly answered.

2 You go to the front of the line!
